

BCC CHEMISTRY CLUB

WEEKLY MEETING NOTES; September 28, 2006

ATTENDEES IN BOLD:

Abdul Ishaque
Bichngoc Son
Briton Stender
C. Berg
Desiree Kier
Emery Hammond
Henrique Alves
Holden Matheson

J. Mayer
Jared Gilmore
Jean MacGibbon
Kim Williams
Michael Walton
Michelle Slavin
Morgan Mathis
Nari Yoo

Noelle Finlay
Omoshade Idowu
P. Sandhu
Paul Kelly
Rosa Le
Ryan Sundquist
Tracy Tran

DISCUSSION ITEMS:

1. Members introduced themselves. (Welcome, new members!!!)
2. Officers were elected.
 - a. Mrs. C. Berg: Faculty Advisor
 - b. President: Michelle Slavin
 - c. Vice President: Emery Hammond
 - d. Treasurer: Noelle Finlay
 - e. Secretary: Rosa Le
 - f. ASG Representative: TBD upon Re-charter of Club
3. Mrs. Berg discussed joining the American Chemical Society
 - a. We should join the ACS of Puget Sound; not national, because of cost and less involved process.
 - b. We will discuss how to do this in the next meeting.
4. Mrs. Berg confirmed that we will not receive academic credit for participating in the chemistry club.
5. J. Mayer and Mrs. Berg suggested celebrating Mole Day on campus on Oct. 23rd. A committee was formed to oversee this effort
6. Also suggested was forming a relationship with Stevenson Elementary School.
 - a. This is a very diverse school.
 - b. The school is near the BCC campus.
 - c. We can develop lesson plans with science activities/demos for the students.
7. J. Mayer and Mrs. Berg mentioned that they will keep us informed of speakers around the Puget Sound area.

- a. Nov 4th in Bellingham: Pauling Award for outstanding experiments of the world. See Mrs. Berg for more details.
8. We performed the soda and Mentos experiment again and Mrs. Berg gave background on the CO₂ explosion at Nios (sp?) Lake.

ACTIONS

Action	Owner	Status
Submit pictures to J. Mayer for website	Michelle	Not started
Submit re-charter application	Michelle	In progress
Check into ACS membership; everybody that wants to join pays 1\$	Mrs. Berg	In progress
Print color and B/W copies of flyer	Michelle	In progress
Verify funds	Noelle	In progress

AGENDA ITEMS FOR NEXT MEETING

1. Discuss...
 - a. action items.
 - b. joining American Chemical Society of Puget Sound.
